Jumpstart update from Centre 6... received yesterday

Hi everyone,

Regrettably I have some bad news for you so please read on.

We have taken the decision to cancel our Jumpstart party this year for two reasons
Firstly we haven't to date sold enough tickets to break even and secondly and more important, the venue has let us down badly.

Despite the landlords promises to carry out certain tasks, he has failed to do anything. The outside areas are to put it bluntly a shit tip and the so called extra 'field' for camping is currently a muddy embankment which is by no means suitable for camping on. Not what we were promised! So with barely enough room for about 10-12 tents on the beer garden, which is also a mess, we are not confident the event could go ahead. We have tried to be positive but have a lot of concerns.

Ticket monies will of course be refunded, please contact our treasurer Liz Allen at lizzieallen1965@gmail.com with details of how you would like to be refunded.

Sadly I know there a few who may have booked local hotels so we may be prepared to refund any deposits lost but we would politely ask for written proof of this.

We now will be concentrating on our rally in July where we know the venue is spot on.

Thanks all and I hope you understand our reasoning for this.

Craig's new bike

A quick photo of Craig's new machine.

Suzuki V-Strom...

Obviously not a Yamaha but a thing of beauty none-the-less, from the photo it looks like a good fit, Hopefully we'll get a living with it report when he has had it a while.

Congratulation mate.

(let me know if you want it as your members ride on the website)

Mark's Annual Bonding Ride - 2nd July

From Mark

"The ride from *Brampton Hut services* is approximately 80 miles, There is a range of options for breakfast to Marks Tey in Essex,

I found an American style diner that does good food 'cos a club marches on its stomach. I've spoken with Dave Enefer who recommends the Diner;"

I hope to see a good attendance as usual, Mark puts a lot of effort into these events.

More details to follow when I get updates from Mark

Ride-outs

I will be organising a few ride-outs this year as they have been requested by some members. They will mostly take the form of.... I will be going, join me if you wish.

To begin with we'll meet at a starting point and run to a Café, a Pub or a Country Park etc. then it's make your own way home or a guided return to the start point.

Depending on feedback and attendances we can change things up on future runs.

I will communicate info via various media channels to see what works.

Call me if you wish to discuss, Jeff Wilkins.

Challenges

I am also toying with a challenge idea which can be individual or mates group thing,
